The endless beauty of the South Pacific

Discover the beauty of deep, blue waters in the South Pacific with a level of seclusion equaled nowhere else in the world of relaxation. Swaying palm trees offer respite from the sun, a towering mountain keeps breezes at bay and miles of open ocean assure that any stress you left back home has no chance of finding you here. Begin each wondrous day with Bora Bora sprawled out right before your eyes, inviting exploration of all it has to offer, including white sands, blue waters and a variety of sports that takes advantage of both. Here at Bora Bora, the only all-inclusive resort in French Polynesia, you can climb aboard a sailboat, journey beneath the sea on a scuba adventure or simply relax along the beach and do nothing at all. Even sitting still, you'll find the views breathtaking.
