Club Med Announces New Direct Service to Columbus Isle, Bahamas Flights Depart Fort Lauderdale and San Salvador Thursdays and Sundays

MIAMI (May 2, 2007) – Starting September 6, 2007 travelers can escape to Club Med Columbus Isle, on San Salvador, the Bahamian out-island, with more flexibility than ever before. New flights from Fort Lauderdale allow guests to visit Club Med Columbus Isle for quick getaways—from either Thursday to Sunday, or Sunday to Thursday. The short stays at Club Med Columbus Isle are priced at \$699 per person including round trip jet service on Spirit Airlines from Fort Lauderdale.

Located on San Salvador in the far eastern Bahamas, Club Med Columbus Isle is the only resort on this tiny island. Steeped in history, the resort houses a collection of hardwood sculptures and timeless masks as a nod to past civilizations worldwide. The resort sprawls 89 acres in the cove of Bonefish Bay, an area rich in scenery, superb beaches and reefs. Ideal for snorkeling, diving and fishing, the emerald-blue sea boasts sparkling clarity and diving visibility of up to 150 feet. Beyond snorkeling and scuba diving, Club Med guests may also partake in waterskiing, jet skiing, archery, tennis, kayaking, windsurfing, sailing, deep sea fishing, water aerobics, basketball, beach volleyball and more. San Salvador's Bonefish Bay was the first landfall site of Christopher Columbus in his initial 1492 voyage.

Club Med's oceanfront property offers three gourmet restaurants including a Brazilian churrascaria and a Bahamian seafood restaurant. The resort's main restaurant, Christopher's, overlooks the sea and offers continental and fusion fare for breakfast, lunch and dinner. The Berimbau churrascaria features Brazilian barbeque-style food and traditional South American décor and artwork. Guests will enjoy personalized service from the churrascaria's chefs who hand-carve the evening's selections of beef, pork and chicken tableside. Watling's, Columbus Isle's signature Bahamian fish grill, tantalizes guests with fresh seafood and local specialties in a colorful, typically Bahamian decor. A new beach bar and grill, Bar Azul, sits steps away from the Atlantic Ocean for guests to enjoy Columbus Isle's cocktails, smoothies, salads, sandwiches and grilled specialties while relaxing near the pristine beach.

The Columbus Isle resort encourages guests to indulge in a variety of massage treatments while on vacation. Options include a couple's massage, the signature Club Med detox, aromatherapy reflexology, hot stone, Swedish and anti-stress muscle relief. Using a customized blend of essential oils, Club Med's massage therapists help guests unwind and rejuvenate in a private outdoor area overlooking the ocean or in several dedicated treatment rooms.
