Club Med Unveils Albion Villas on Mauritius

“Resort within a Resort” Features Unsurpassed Luxury

MIAMI (December 29, 2009) – This June, [Club Med \(www.clubmed.us\)](http://www.clubmed.us) will celebrate the opening of the Albion Villas. The two, three and four bedroom villas offer an exclusive retreat in the heart of the Indian Ocean, on the island of Mauritius. Spanning 52 acres, the 26 villas border Club Med La Plantation d'Albion which debuted in August 2007.

The new villas create the ultimate luxury experience—spacious accommodations with scenic views of the mountains and the Indian Ocean, 24/7 personalized concierge services, air-conditioned areas, free Wi-Fi, fitted kitchens and walk-in wardrobes. Guests also have access to private gardens, private pools and outdoor lounges.

Every villa provides a butler, trained by the International Guild of Butlers & Household Managers. Villa butlers are discretely dedicated to the villa guests throughout the day to ensure comfort and well-being. The butlers can also help organize special services such as on-site barbecues, cocktails, birthday parties or private excursions.

Additional exclusive services at the Albion Villas include:

- Reception and concierge service with a team dedicated only to the Villas
- Breakfast & afternoon tea served in the villa by butler
- Welcome gifts on arrival, champagne and unpacking service
- Free access to the neighboring La Plantation d'Albion Club Med resort
- The option to have Club Med organize and personalize villa guest itineraries and travel bookings, including selecting custom flights, pre-seating on the return flight, choice of airline, comfort level, and take-off times.
- Exclusive spa packages at the Spa Cinq Mondes (at an additional cost)

“The Albion Villas represent a new trend in luxury travel,” said Xavier Mufraggi, C.E.O. Club Med North America. “They combine exclusivity and intimacy with access to a larger all-inclusive resort in an extremely exotic locale.”
